

Biathlon Association of Manitoba

Christmas 2020 Fundraiser

It won't be long now and Christmas will be upon us! What better way to enjoy your time at home than with some delicious Original Bothwell Cheese? From classic cheddar all the way up to their ever-popular cheese curds, we have a selection sure to please everyone. Bothwell Cheese has been making award winning products since 1936 with no artificial ingredients, preservatives or modified milk ingredients used in the production of their cheese.

With every purchase you will be giving back to our Manitoban athletes through our non-profit organization here at Biathlon Manitoba. Revenue from the sale of the cheese will go directly to funding our programs, facility upgrades and enhancing our races for athletes of all ages. Every dollar raised stays right here in Manitoba to support and grow the sport of biathlon.

If you would like to place an order, please see the selection sheet below and let me know the name of the cheese(s) and the quantity you would like of each, your address and phone number. I will be in touch to collect your payment via e-transfer. Orders with payment are due before Nov 30, 2020. I will be delivering your cheese via contactless drop off on the weekend of Dec 18-20, right in time to enjoy over the holidays!

On behalf of the athletes and families of Biathlon Manitoba,

THANK YOU AND MERRY CHRISTMAS!!!!
