February 27 - March 14, 2027

Team Manitoba Selection Policy

Eligibility

Eligible athletes must be current Biathlon Manitoba members, registered with a Biathlon Manitoba sanctioned club, and born in 2008 through 2011. Exceptions to this may be considered by the CWG Organizers. Athletes born prior to 2007 will not be considered.

Selection Information

Team Manitoba will include four female, and four male athletes. One female, and one male alternate athlete may also be identified. Alternate athletes will not travel to the event unless a selected Team Manitoba athlete withdraws or is otherwise unable to participate.

For each gender three athletes will be selected based on a percentage calculation from the designated selection event, and one athlete chosen from a discretionary selection. Alternates will be identified by a discretionary selection. If an athlete selected by percentage refuses their spot, the next highest percentage will be chosen. If an athlete selected by discretion refuses their spot, the next athlete will be chosen by discretion.

For each gender, selection priority will be offered in the following order:

- 1: Highest percentage**
- 2: Second highest percentage**
- 3: Third highest percentage**
- 4: Discretionary selection**

Selection Event Competition Category

All athletes will be required to race in the Youth Women/Men category.

Selection Event

Event: CalForex Cup #1 or NorAm West

Location: Canmore, Alberta

Date: TBD (~ Nov. 26 - Dec. 11, 2026)

of Races: 2

Competition Types: TBD

The selection event will take place during a 6-7 day early on snow training camp. The camp length will allow athletes to acclimate, understand the competition course, and provide training opportunities with other provincial teams. The camp will finish with the selection event on the final two days.

Reasonable notice will be provided for the camp dates and competition types when the 2026 Biathlon Canada Competition Calendar is released.

In the event that the selection event is canceled or postponed to outside of the timeline of the scheduled training camp, a competition will be designated by the Selection Committee to occur before January 7, 2027. Reasonable notice will be provided for the location, competition types, date, and time of the new selection event.

Percentage Calculation Selection

Percentages for each competition will be based on the fastest time by a Manitoba athlete in the category. Percentages will be rounded to two decimal places.

The calculated mean of the two competitions, rounded to two decimal places, will be used as the final percentage to rank athletes at the selection event.

Eg: Percentage Calculation Selection

Competition 1			
	MB Athlete A	MB Athlete B	MB Athlete C
Competition Time	15:03.44	16:54.52	19:43.28
Comp. Percent Calc. (Fastest MB Time / Athlete Time)	1.00	0.8904946463	0.7636322668
Percent Rounded	100%	89.05%	76.36%

Competition 2			
	MB Athlete A	MB Athlete B	MB Athlete C
Competition Time	25:48.44	27:53.12	25:54.48
Comp. Percent Calc. (Fastest MB Time / Athlete Time)	1.00	0.9256116025	0.9960981048
Percent Rounded	100%	92.56%	99.61%

Calculated Mean / Ranking			
	MB Athlete A	MB Athlete B	MB Athlete C
Calculated Mean	$(100 + 100) / 2 = 100$	$(89.05 + 92.56) / 2 = 90.81$	$(76.36 + 99.61) / 2 = 87.99$
Ranking Priority	1	2	3
